Dear Dr Mains,

Thank you for contacting me about recent developments at Richmond Golf Club. As you say, it is good news indeed that the club has been successful in being accepted as a signatory to the R&A's Women in Golf Charter.

It seems a most laudable initiative. Please pass on my best wishes to the club's membership and particularly Barbara Gregory, your Director-elect, as she leads the implementation of the Charter to encourage more women and girls to take up the sport.

I have fond memories of my last visit to the club to open the golf studio – if not my attempts to play some decent shots! I imagine it will have been well-used by your members so far this winter.

Kind regards,
